

**APRIL 19, 2026**

Over the past several weeks, many of you have gathered in living rooms, around tables, even at playgrounds, to listen and answer the question, “What pressures are you experiencing in this season of your life?” Story by story, a beautiful pattern has begun to emerge—threads of honesty, courage, longing, and faith weaving together in ways we couldn’t have planned.

Today will be a special service where we begin to name and reflect on the common themes that have surfaced through *your* stories. You’ll hear voices from within our own congregation and get a glimpse of who we are becoming together.
