Reflection Questions:

What gift has God placed in me?

What gifts do I see in my neighbors?

How might God be inviting me to connect my gifts with others for the flourishing of our church and community?

OUR VISION

Reimagining church as a vibrant hub for spiritual growth, community, partnership, and care for creation, rooted in God's love and justice.

THE ABCDEF OF COMMUNITY FLOURISHING

A — ASSET-BASED

Start with gifts.

Every person, congregation, and neighborhood has strengths worth discovering.

B — BUILDING RELATIONSHIPS

Connection creates possibility.

Communities flourish when people know, trust, and support one another.

C — COMMUNITY-DRIVEN

Nothing about us without us.

Those closest to the challenges are closest to the solutions.

D — DEVELOPMENT-FOCUSED

Grow what gives life.

Invest in long-term flourishing rather than short-term fixes.

E — EXERCISING JUSTICE

Address root causes.

Faith calls us to create conditions where all people can thrive.

F — FAITH-ROOTED

The Spirit is already at work.

God's kingdom grows through relationships, hope, and shared action.
